¹ The term "members" includes all regular and associate Exchange members, and member firms, general, special and limited partners in member firms, and voting and non-voting stockholders in member corporations.

² On the American Stock Exchange, all odd-lot transactions are handled by specialists, and their round-lot purchases and sales for odd-lot account are not segregated from their other round-lot transactions. In odd-lot transactions, customers' purchases are specialists' sales and customers' sales are specialists' purchases.

NOTE: All sales totals include short sales.

NOTES: The term "members" includes all regular and associate Exchange members, and member firms, general, special and limited partners in member firms, and voting and non-voting stockholders in member corporations. All odd-lot transactions are handled by specialists, and their round-lot purchases and sales for odd-lot account are not segregated from their other round-lot transactions. In odd-lot transactions, customers' purchases are specialists' sales and customers' sales are specialists' purchases. All sales totals include short sales. All figures include warrants.

Figures are rounded and will not necessarily add to totals.

* Under 500 shares.

* Reports of those exchanges marked with an asterisk cover transactions cleared during the calendar month; clearances occur for the most part on the fifth day after that on which the trade actually was effected. Reports for other exchanges cover transactions effected on trade dates of calendar month.

1/ Data on the value and volume of securities sales are reported in connection with fees paid under Section 31 of the Securities Exchange Act of 1934. They include all securities sales effected on exchanges except sales of bonds of the United States Government which are not subject to the fee. The data cover odd-lot as well as round-lot transactions.

2/ Includes voting trust certificates, certificates of deposit for stocks, and American Depositary Receipts for Stocks, but excludes rights and warrants.

3/ Excludes U.S. Government Bonds.

4/ Rights and warrants not separately reported before January, 1972.

ANNOUNCEMENTS AND SPECIAL NOTICES

This is the first issue of the Weekly Statistical Bulletin. It contains recent Form 8-K and Form 144 Filings in addition to including all of the series formerly contained in both the Weekly Statistical Release and the Monthly Statistical Bulletin. A new series, Selected Stock Market Indicators, also appears. The data are gathered from secondary sources and their accuracy cannot be guaranteed. The presentation of these indicators here should not be construed as an endorsement.

The pages of the Weekly Bulletin are numbered consecutively, starting with page one of the January Bulletin. Explanatory notes, as indicated in footnotes, will be found on the pages cited in that issue. A semi-annual cumulative index will appear in each issue.

Distribution and pricing of this document are the responsibility of the United States Government Printing Office. The Public Printer has stated that the increase in subscription price reflects increases in almost every element of printing costs, plus an increase in postal rates. Any questions concerning distribution of the Bulletin should be directed to the Superintendent of Documents, U. S. Government Printing Office, Washington, D.C. 20402.

We hope that this new format serves to improve the usefulness of this Commission publication. Any comments or questions you may have are welcome, and should be addressed to the Senior Statistician, Office of Economic Research, United States Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549
